SUMMARY:

Front-End Developer with strong skills in React, HTML, CSS, TypeScript, and JavaScript.

Focused on building responsive and user-friendly web applications.

Eager to contribute to real-world projects and grow within a collaborative environment.

PROJECTS:

noon-3ab7alim-Ecommerce (React) | April 2025 - May 2025

- Built a responsive e-commerce app using React, Tailwind CSS, Flowbite, and TypeScript.

- Implemented user authentication, context API, and error handling.

- Used React Query for caching and performance optimization.
